**Item 8.01 Other Events.**

On September 6 and 9, 2019, Pluralsight, Inc. (the "Company") repurchased a total of approximately \$40.0 million in aggregate principal amount of its 0.375% Convertible Senior Notes due 2024 (the "Notes") for approximately \$35.0 million in cash. Following the repurchase, the remaining aggregate principal amount of the Notes is \$593.5 million.

In connection with the repurchase of the Notes, the Company terminated a portion of its existing capped call transactions ("Capped Calls") that cover approximately 1.0 million shares of Class A common stock, par value \$0.0001 per share, of the Company (the "Common Stock"). The Capped Calls were expected to offset the potential dilution to the Common Stock upon any conversion of the Notes and the number of shares underlying the portion of Capped Calls that were terminated correspond to the number of shares underlying the principal amount of Notes that were repurchased. The Company expects to receive proceeds of approximately \$1.1 million in connection with the portion of the Capped Calls that were terminated.

---

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
